

CPI Grant Recipients for 2025

The City of Claflin - \$3,000

Funding will be used for two drinking fountains at Claflin City Park. The first fountain will have a water bottle filling station, a drinking fountain, and a dog water bowl. The second will feature a water bottle filling station and drinking fountain.

The Great Bend Zoological Society - \$4,000

This grant will upgrade pathways around the gazebo and Koi Pond at the Great Bend Zoo, making them more accessible to all visitors.

The Great Bend Bat Cats - \$5,000

The Great Bend Bat Cats will use this grant to enhance marketing, transportation, and resources to support the players and facilities.

The Great Bend Public Library - \$10,000

The library will utilize this funding to provide access to Hoopla, a digital media service with audiobooks, movies, eBooks, and more.

The Barton County Quality of Life CPI Fund is committed to enhancing Barton County with meaningful improvements!
